

ENGAGING FAMILIES IN STUDENT ACHIEVEMENT

SKILL-BUILDING WORKSHOPS FOR SCHOOL AND COMMUNITY ENGAGEMENT STAFF

High Expectations Parental Service invites school and community engagement staff to participate in a series of interactive family engagement workshops. These workshops are designed to equip participants with the tools, skills and resources needed to build partnerships with families in ways that lead to increased student achievement.

WORKSHOP DESCRIPTIONS:

1

Event Outreach: Increasing Participation in Family Events

In this **3-hour workshop**, create an Outreach Plan for an upcoming family engagement event that gets more people to show up. Get all stakeholders involved in engaging the families you need to partner with the most. **Fee: \$150**

2

Creating a Welcoming School Environment – Part 1 and 2

Part 1: In this **3-hour workshop**, learn to engage families and staff in assessing your school's climate and culture. Learn to identify your school's areas of strength and areas for growth. **Fee: \$150**

Part 2: In this **3-hour workshop**, receive strategies and tools for improving your school's climate and culture. Develop a plan for creating a welcoming environment for all families. **Fee: \$150**

3

Planning Family Engagement Events That Lead to Increased Student Achievement

In this **6-hour workshop**, design a family engagement event that is: linked to learning, relational, collaborative and interactive. We will use the Dual Capacity-Building Framework to ensure that your family events lead to strong relationships AND increased student outcomes. **Fee: \$300**

4

Increasing Reading at Home: Reading Campaigns

In this **3-hour workshop**, receive tools and resources for increasing reading at home. Design a Reading Campaign for your school that motivates students to read, increases reading comprehension and encourages family participation. **Fee: \$185**

5

Planning Family Literacy Events: Training for Facilitators

In this **3-hour workshop**, plan for a Family Literacy Event that gives families the tools and skills needed to increase reading at home and improve reading outcomes. **Fee: \$185 (optional \$6.00 per student materials fee)**

6

Facilitating Workshops With Skill and Confidence

In this **4-hour workshop**, build confidence in your ability to facilitate workshops and meetings skillfully. Learn to use proven facilitation skills to engage your audience and reach your desired outcomes. **Fee: \$300**
